## Upcoming Winter Events

### Martin Luther King's B-day Celebration\*

Monday, January 16 ~ 11:00am-2:00pm

"Bounabou Fana Fama" It doesn't matter how long it takes - your dreams will come true at the right moment. - Susu proverb of Guinea, West Africa.

- 10:30am-2:00pm: Dream catcher, wishing star and rainbow wreath workshop.
- 10:30am-2:00pm: Worry Doll workshop.
- 11:00am & 12:30pm: Planetarium Shows.

### CELEBRATE CHINESE NEW YEAR\*

Sunday, January 22 ~ 1:00pm-3:00pm

Gung hay fat choy! Good fortune and happiness! *The year of the Black Water Dragon!*

- 1:00pm-3:00pm: Join us at the Museum in the celebration of the year of the dragon. Listen to a Chinese folktale and create a lucky red envelope or beautiful paper lantern.
- 1:00pm-3:00pm: Recycled Snowflake Workshop. Make a sparkly snowflake from recycled materials, with "Miss Lori L."

### National Ground Hog Day\*

Thursday, February 2 ~ 10:30am

- 10:30am: "Miss Mary" will share a story honoring "Punxsutawney Phil" and present a groundhog craft.

### Fancy Valentine Workshop\*

Sunday, February 12 ~ 1:00pm-3:00pm

Create beautiful felt Valentines, to keep or to give, with "Miss Lori L."

### FEBRUARY SCHOOL VACATION\* Celestial Cosmic Quest!

Join us for an out of this world adventure into outer space where you will explore the universe and learn about how astronauts survive in space! Dress up as your favorite astronaut and taste some space shuttle rations. Create and launch your own paper rocket. Design your very own recycled extraterrestrial creature and UFO. Join us in our Star lab and learn about the northern constellations and much more.

Monday, February 20 through Friday, February 24

- 10:30am-2:00pm: Space shuttle launch station.
- 10:30am-2:00pm: Crafty cosmic creation station.
- 11:00am: Star Lab Planetarium Show

\*Note: These activities are FREE with paid admission.

## Navigating ADHD Parent/Teacher Workshops!

with Tracey Bromley Goodwin, M.ED. and Holly Oberacker, ATR, LMHC ~ 6:30pm-8:00pm

Please pre-register through [www.navigatingadhd.com](http://www.navigatingadhd.com) or call 508-566-0093 for payment and to reserve your spot today.

- **Tuesday, January 10: Conversation and Medication**  
Learn strategies for having conversations with your child about an ADHD diagnosis. Holly and Tracey will also bring you through the decision making process in deciding whether or not to try medication. Learn how to help your child grow and flourish with an ADHD diagnosis.
- **Tuesday, March 13: Organizing Environments**  
Get tips and tools for getting organized from the inside out. Learn how to help your child understand how their brain experiences their school and home environment and how they can gain control. Leave with ideas you can implement right away.

## 2012 Classes Now Enrolling!

\*Pre-registration required! Please see our website or call the museum for a complete list of days, times, and fees for winter classes. Classes will run depending on a minimum enrollment/required.

### Toddler Time\*

Starts Friday, January 6

Early childhood educator "Miss Mary" leads this class that provides great socialization opportunity for ages 18 months to 3 years old and their caregivers!

### Pre-School Science Exploration\*

Starts Thursday, January 5.

Does your child like to mush, mash, mix, and mold? Make volcanoes, ice cream and much more with Miss Sarah in these hands on science classes modeled after "Sid the Science Kid".
